Elisa Hunter    Congregate Dining Staff
Lorne Green       Afternoon Custodian
Katelyn Fletcher Events Co-ordinator
MISSION STATEMENT

Franklin Horner Community Centre is a charitable, not-for-profit community centre serving the southern Etobicoke and surrounding areas. The Community Centre provides a unique environment where community groups can access quality program and meeting space to develop their own specific programs, together with a variety of social, sport and recreation, leisure and wellness programs developed by the Centre. The Franklin Horner Community Centre serves people of all ages.
FRANKLIN HORNER COMMUNITY CENTRE

Annual General Meeting

AUGUST 27, 2014

1. **Call to order**: The meeting was called to order by Krys Angel, Board Chair, at 11:32 a.m.

2. **Quorum confirmed.** After declaring a confirmed quorum, Krys Angel acknowledged the passing, in 2013-2014, of the following members and volunteers: Al Bowers, Anne Pagnutty, Annie Moore, Barbara Jenkinson, Ed Wiseman, Florence McGroddy, Hilda Shular, John Koroll, John Robertshaw, Laura Cauch, Lynne Whelan, Marg Allison, Marie Pinon, Norma Cole, Penny Dickens, Theresa Yake, Alex Romansky, Ellen O’Toole, Helen Kumagai, Margaret Baillie, Stella Tillbrook, Anne Armstrong.

Krys introduced and thanked Board members and Committee members who were present and also acknowledged Executive Director, Laura Latham and members of her staff. She then acknowledged the priceless contributions of our highly involved volunteers and the membership also acknowledged their good work with a round of applause.

3. **Motion to accept agenda:** Moved by H. Robertshaw that the agenda be accepted, seconded by D. Cameron and carried.

4. **Motion to dispense with the reading the minutes of last AGM:** Moved by K. Angel, seconded by F. Gauthier and carried.

5. **Motion to approve the minutes of the August 21, 2013 AGM:** Moved by D. Cameron to approve the minutes, seconded by G. Penhale and carried.

6. **Board of Director’s Report:** as presented on page 5 and 6 of the AGM Information Package.

There were no questions or comments.

7. **Auditor’s Report:** was presented by Julia Stavreff, Chartered Accountant and Licensed Public Accountant who performed the audit for the past six years. Julia asked if anyone desired a full and detailed review and no member required that level of explanation.

Julia then highlighted aspects of the four major financial summaries in her report in a clear and concise fashion. A year over year decline in revenue was attributed to a difference in funding and timing as well as to one-time rentals to the Montessori that did not recur in 2014.

Julia stated that, in her opinion, that the Board of Directors had managed the financial affairs of the Centre in a responsible manner. She also commented that just as the generous contributors brought some $60,000 of gifts in kind to FHCC, the many volunteers also bring significant value to the Centre in the generous donation of their time.

A question was brought to the floor by J. Latham. “Why are the hours donated by volunteers not given a monetary value like the gifts *in kind*?”

Julia responded that besides being an accepted practice for non-profits, that in order to accomplish this recognition receipts would need to be issued to volunteers which would in turn need to be reported on income tax.

K. Angel moved that the Auditor’s Report be accepted, seconded by M. Latham and carried.
8. Appointment of Auditor: Moved by Krys Angel that Julia Stavreff, Chartered Accountant, be appointed Auditor to hold office until the next Annual Meeting at a remuneration to be fixed by the Board, seconded by M. Hall and carried.

9. Changes to the Constitution/By-Laws: K. Angel presented the proposed changes explaining that all such documents need to be revisited from time to time to assure they are up to date and meet the changing needs of the organization. After a review of the two proposed changes, no further clarification was required by the membership.

K. Angel moved that changes to the Constitution/By-Laws be accepted in their entirety, seconded C. Sayers and carried.

10. Election of Board members: Krys introduced Nominating Committee members: herself, Laura Latham, Don Cameron, Justin DiCiano and Jamie Maloney.

Krys explained that four Board members were finishing terms and had agreed to continue into their next term, David Courtney, David Crack, David Seeler and James Maloney. She thanked the four gentlemen for donating their time and expertise. In addition, the Nominating Committee also put forward Susan Watt for election, a lawyer with lengthy credentials in public service and volunteerism.

As there were no further nominations from the floor, J. MacDonald moved that nominations be closed and that the following persons be voted on to the Board for a three year term: David Courtney, David Crack, David Seeler, James Maloney and Susan Watt, seconded by S. Davey and carried.

11. Questions and/or comments:

Question: Can you explain the roughly $100,000 dollar difference year over year in User Fees? – S. O’Leary

Answer: The Montessori School had rented space on a one-time basis and that revenue did not recur year over year. The additional funds were in part used to perform badly needed updates and improvements at the Centre.

Question: What is the status of the renovation? – J. Lyttle

Answer: The renovation is proceeding very well to date with various abatements completed and the installation of additional washrooms. Current plans are to shut down the older building towards the end of December for approximately one year to complete the second phase of the work. This will be almost six months ahead of schedule.

There were no additional questions or comments from the floor.

12. Meeting Adjournment: moved by H. Robertshaw to adjourn at 12:00 PM after which members enjoyed a light lunch.

Minutes submitted by Mark Guilbeault in the role of Secretary______________________________
Board member (and sponsor) David Courtney takes a break from flipping burgers to enjoy one at the Great Lakes Charity BBQ.
Greetings and welcome to the 2015 Franklin Horner Community Centre Annual General Meeting. I am pleased the present the annual report for the fiscal year April 1, 2014 through to March 31, 2015. Thank you for taking a moment to join us for our annual review.

2014-15 was a year of great physical change at 432 Horner Ave. As part of Phase II, the old, east side was vacated, sealed off from the newer side and is now undergoing extensive renovations and upgrades. The elevator shaft is being built at the time of this AGM. Everyone is pleased with the modern new washrooms installed near the seniors’ lounge. Construction work began on time and is currently ahead of schedule. Sincere thanks is extended to contractor Aquicon for managing the many phases and workers required during the renovations as well as ensuring safety and comfort in the remaining, open sections of the building where our programs and administration continue.

With the early closing of the woodshop, artist studios and a floor of rental space, we realized that we would lose some revenue. We appealed to you, our members, to help offset this shortfall with tax deductible charitable donations and you came through for us with generosity and gusto. The thermometer in the lounge shows the current donation amount and details are in the financial report as well. From the bottom of my heart, I thank you for your support and generosity.

Our staff has had an exceptionally challenging and tumultuous year. They had to move the office, close down the studios and rental spaces and much of our storage area, all the while maintaining our programs and events, the scale and scope of which are described further in this report. FHCC thrives because of its exceptional complement of staff led by inimitable, tireless Laura, our Executive Director. My esteem and thanks extend to Monica, Susan, Navina, Karen, Jimmy, Raymundo, and Megan. Welcome Elisa, Lorne, Duane and Chanel. This energetic team continues to do ambitious things exceptionally well.

I would also like to acknowledge the contributions of my colleagues, the members of your Board, whose oversight and strong deliberations are critical to our continued success. We meet six times a year to review and provide governance and oversight. In addition, to name a few, Secretary and woodworker Mark Guilbeault tirelessly and efficiently managed the packing and storing of the woodshop machinery and supplies, after which he was instrumental in moving and reconnecting the office computer network. Despite a little time off for knee surgery, Social Convenor Marion Hall still continues to conduct the card games and bus tours. Treasurer David Crack compiled the financial records to pass on tour auditors. David Seeler, Jaimie Maloney, Mark, Laura and David Crack are reliable and wise participants during our monthly Finance/HR Committee meetings. I could not wish for a finer team.

THANK YOU to our dedicated, talented and tireless volunteers. I can’t believe how much stamina some of you have! This year you outdid yourselves, if that is even possible! In addition to all that you already do, you assisted with the closure of the woodshop, and the clearing out of the fitness and storage rooms. You prepared food and tended bar to help
with fundraising at numerous rental events throughout winter and spring. Thank you for your time, skills and steadfastness. Your contributions are priceless.

As we have done in the past, we intend to continue to maximize what we are here to do: to be a popular location for many different groups and to offer the best quality programs and events in the City. We can only do this with your continued support.

Finally, a quick reminder that Extravaganza XI takes place on Saturday September 12. It will be bigger and better than ever as every year Laura raises the bar. We need as many volunteers as we can get to help out during this, our biggest fund raiser, so please sign up with Chanel in the office and join in the fun.

Krys Angel

FHCC Board Chair

The past fiscal year (April 2014 – March 2015) has been a busy one at Franklin Horner Community Centre. Our first event of the year was our third annual Spring Brunch, quickly followed by the second visit of Trio Bravo for the Roast Beef Lunch & Concert event. We also hosted a group of Quebec students who were entertained and fed by some of the cultural groups here at the Centre. May brought us Pasta Night and the Great Lakes Charity Barbecue. We were very happy to benefit from the Telus Day of Giving, which provided us with a host of willing volunteers. Also welcome was a team from Target Canada, who not only volunteered, but donated prizes for the children’s games when our supplies ran short! When all was said and done, everyone had a great time, we made some new friends, and Great Lakes Breweries donated $3000 to Franklin Horner Community Centre.

In June, our staff attended two outreach events, one to the Ukrainian Care Centre and the Cultural Hotspots info session. Due to the impending renovations, we were not able to take part in the Hotspots activities, but we made a number of connections and learned a lot from our participation in the project. Three of FHCC’s most stellar volunteers were honoured at the LAMP Awards of Merit. Krys Angel, Elthea Harris and Marilyn Latham all received recognition for their dedication to the Centre, and by extension to the community. The main event here at the Centre that month was the Alderwood Showcase which featured performances from various FHCC groups including the Bloorlea Scottish Dance Group, Etobicoke Big Band, the Alderwood School of Music, and demonstrations by the Toronto Tai Chi Association and our own Jazzercisers. Later in the month we celebrated our seniors at the annual Strawberry Social, sponsored by MEDIchair. Attendees enjoyed tea sandwiches, punch, strawberry desserts and the music of Mr. Jay had them dancing!

Usually, things slow down in the summer, but our July was packed! The 9th annual Golf Tournament was held on July 7 at Royal Woodbine Golf Course, we had our annual Summer Barbecue on the 4th, and we began an exercise and information program on osteoporosis. We began a series of Smart Serve training modules for staff and some volunteers to ensure that FHCC is a responsible organization at all our events. Staff examined the new anti-spam legislation and developed procedures to ensure that we are in compliance with the new rules. We met with Symes 55+ Seniors Centre to discuss partnership on some of our trips. And at long last, the work began on the renovations, which are covered in detail on page 10.

August was all about getting ready for the 10th Annual Extravaganza…

Which was AMAZING!! The weather was beautiful, the mood was light and we sold out of almost all our inventory of ribs, burgers, potato tornados, and beer. Entertainment was provided by the Bloorlea Scottish Dancers, The Coppertones, Grupo Folklorico Viva Mexico, the Academy of Spanish Dance, Filipino Entertainers and Willy Santos, Medieval Times, and Ballet Folklorico Puro Mexico. Immediately following Extravaganza, the Centre’s office was moved into the former Early Years room in order to accommodate the renovations.
In October we had our annual Pig Roast. This little piggy, along with homemade baked beans, coleslaw, and macaroni salad, served over 70 hungry people. It is to be noted, however, that there seemed to be a lack of crackling off of this particular porker....

November was very busy with events here at the Centre and a couple off-site. We started with a wild, fun, Hallowe’en party with a roast beef dinner provided by Toronto Fire Prevention. We held a Grey Cup Party in the Lounge, serving chili, wings and Great Lakes beer. Our woodworkers took their wares to the Neilson Park Creative Centre’s Winterfest. Another opportunity for fundraising was our 4th Annual Hometown Fair. The Franklin Horner tables included the Thursday Craft Ladies, the Woodworkers, a Christmas Ornament table (thank you, Sandy England), homemade jams and sauce, a bake table, a Garage Sale table and a Barbecue. We had numerous expressions of admiration for the organization and efficiency of our event from the vendors, who also had a successful day. On a more sombre note, the Annual Veteran’s Appreciation Luncheon was a moving tribute to the contributions of the many who served in the armed forces. We particularly thank Kristin Courtney for her efforts and dedication on behalf of the veterans.

The Annual Turkey Dinner was a wonderful chance for 150 or so of our members to enjoy a delicious meal in the company of friends during the Christmas season. Later, on Christmas Day, we once again brought together a team of donors and community partners to offer a turkey dinner to seniors who might otherwise be Home Alone at Christmas. However, not all was festive in December. As we entered Phase II of the renovation, we had to clear out everything from the east side of the building. Mark Guilbeault led a squad of intrepid woodworkers to pack and store the woodshop machinery and sort and purge the accumulations of the years. It was a monumental task that was expertly executed.

We led off the event schedule in 2015 with the Fashion Show, accompanied by a gourmet lunch. It seemed to be no time at all before we were planning for our February events, Spa Day, Chili Night, and Pancake Tuesday. We also attended an outreach event at Cloverdale Mall where we told people about the many events, programs, and facilities at Franklin Horner Community Centre.

On March 15, we had our St. Patrick’s Day brunch with lots and lots of tasty goodies. Our Health Fair this year featured a presentation by Elder Abuse Ontario as well as a wide variety of information from organizations and service providers.

Throughout the year, we were assisted by placement students from Humber College and the University of Guelph-Humber. As always, their contributions to our events and activities were invaluable. We thank Julian Artjukow, Sean Cassman, Rachel Diniz, Stephanie Finelli, Anna Kemenoff, and Elizabeth Pace for choosing to serve their practicum at FHCC and we hope that they enjoyed their time here as much as we enjoyed their presence.

The above is a month by month listing of events here at FHCC; throughout the year we have regular and ongoing programs and services, for instance our Lunch and Learns, card games, Thursday lunches, shuffleboard, Thursday crafts, yoga, line dancing, Latin & ballroom
dancing, Jazzercise, doll making, exercise groups, foot clinic, folk art, and the woodshop with its attendant mentoring program. This was the last year for the Tuesday Night dances, we would like to acknowledge the time and effort of George and June McConnell who ran it for many years.

Besides being a review of the year just past, the preceding paragraphs are also a tribute to the volunteers of FHCC. There is no way to calculate the hours freely given or put a dollar value on the benefits the Centre and all its members derive from the contributions of our volunteers.

Nothing happens here at Franklin Horner Community Centre without the support and labour of our many dedicated volunteers and we thank you.
Renovation Report

We are currently at the half-way point in the renovations. Here is a brief outline of the elements that have been done to the end of our fiscal year:

- Creation of temporary parking lot to replace area used for staging area
- Re-configuring of Early Years room for temporary office
- Move to temporary office
- Computer lab moved to new location
- Installation of trailer washrooms
- Demolition of old washrooms
- Construction of new washrooms
- Spot abatements
- Some electrical and plumbing work on west side of building

**End of Phase I, beginning of Phase II**

- Closure of the entire east side of building
- Abatements of walls, floors and ceilings in east side of building
- Erection of fence and scaffolding
- Construction of temporary wall to separate Centre programming from construction zone.

**From end of fiscal year (March 31) to date**

- Demolition of old washrooms
- Demolition of west stair case
- Excavation for elevator shaft
- Underground plumbing rough-in and piping
- Laying of concrete (slab on grade in contractor speak)
- Construction of elevator shaft and lobby
- Preparation and repair (where necessary) of window frames
- Masonry – elevator shaft, load bearing and exterior cladding
- Construction of new washrooms (walls & rough-in)
- Construction of new offices (walls & rough-in)
- Construction of new stair case and exit
- Metal roof deck

This is the work performed by the contractors.

In the office, while preparing for Extravaganza, we were also packing to move. We transferred to the former Early Years room down the hall. Recognizing that it is a temporary situation makes it easier for Monica and Laura to bear the lack of ventilation in their offices.

We also lost the pantry cupboards in the hallway, the computer lab and access to all stored items in the east part of the building. The pantry supplies were relocated to the change
room by the new washrooms and everything else was put into the large storage containers on the field.

In the woodshop, all stored items were removed, one simple phrase but it encompasses a world of work. The smaller machinery was covered in a protective coating as it would be in storage containers for a year. Cases were built around the large machines so the contractors can work around them safely and the machines will be shielded from construction dust and debris. Hand tools and assorted widgets and doodads were packed up and put into cupboards which were then sealed for the duration. The wood used to fabricate items for sale was moved to the outside containers as well.

The closure of the east side of the building has made a significant drop in our revenues; studio space rentals, woodshop user fees, membership fees from woodworkers, dance groups, and exercisers, woodshop sales and class fees.

On the plus side, to date everything is going according to schedule. In December, we will be moving all our programming to the newly renovated east side of the building and turning the west side over to the construction crew for Phase III. The last phase is expected to take about six months so we should have our whole building back by June 2016 when we will have a big open house and celebrate FHCC’s 30th anniversary.

2015 Nominating Committee Report

The Nominating Committee includes Don Cameron, Mark Guilbeault, Jamie Maloney, and Laura Latham.

Two Board members are finishing their third terms, a total of 9 years each, and are stepping down from the FHCC Board:

**Don Cameron** was a generous corporate supporter before and during his years on the Board. He was an astute and conscientious team player who helped immensely in the early years of this Board’s development. His focus has always been on improving our Centre in every way.

**Krys Angel** was Secretary for two years, during which time she established the Finance Committee and was instrumental in building FHCC’s first budget. As Board Chair for the next seven years, she established committees to write policies and was a significant driving force behind the Board’s development, recruitment and FHCC’s strategic planning. Her goal was to make FHCC a magnet for members and volunteers.

The following Board members are finishing their terms and are eligible for re-election. They all have contributed positively to FHCC Board governance.

The Nominating Committee endorses their re-election:

**Mark Guilbeault** will be beginning his second term. He has served as Secretary and as member of the Finance/HR Committee for 3 years. Mark is an avid woodworker and instructor at Franklin Horner and was instrumental in preparing and packing away the woodshop machines and supplies before renovations began there. His IT expertise is often called upon by our office. Mark is a retired Director of Information Systems and Technology at both Bell Canada and the Yellow Pages Group. He lives with his wife Sandy in South Etobicoke.

**France Gauthier** will be starting her second term as Board member at large. France is a retired Respiratory Therapist living and playing in South Etobicoke. She is a staunch volunteer and woodshop member. France is an enthusiastic lifelong learner and supporter of FHCC, taking courses ranging from ballroom and line dancing to woodworking and woodturning.
The Nominating Committee is pleased to recommend the following individuals to join the Board as new members:

Brad Jones has been with Ridley Funeral Home in south Etobicoke since 1991. His role has developed over the years from Funeral Director, Director of Preplanning, Assistant Manager, Manager, and in 2013 he and his wife Jody purchased Ridley's and is now the President. Brad spent from 2000 – 2007 on the Board of directors for Victim Services Toronto and spent the last 4 years as the Board Chair. From 2003 – 2009 he was on the board of directors of Toronto & District Funeral Directors Inc., spending 2007 – 2009 as President. During his free time you can find Brad coaching youth football and youth basketball where several of his children are actively playing. Brad and Jody have 6 children. Brad and Ridley’s are longtime supporters of FHCC – helping Laura with fundraising and the golf tournament.

Heather Robertshaw was born and raised in New Toronto, and currently resides in Mimico. Heather has been a member of the Community Centre since 2006, currently playing an active role in helping with cards, bingo, and assisting Marion Hall with the trips. Heather’s husband, John Robertshaw (deceased), was a school teacher here at Franklin Horner Middle School from 1973 to 1984 (he was Laura's grade 6 teacher). Heather worked at Russell’s Drug Store for over 22 years. Heather volunteered with the Boy Scout’s of Canada for over 25 years with her husband. Heather is currently being groomed to be Marion’s protégée around the Centre and will eventually take over as the Social Convenor and Senior’s Liaison.
